

# RECYCLING

# INSTRUCTIONS

## METAL

The scavenger service will accept foil items and aluminum, steel, tin and metal alloy cans. Rinse well and remove sharp lids and labels. Flatten, if possible.

## GLASS AND PLASTIC

The scavenger service will accept glass jars of all kinds and colors. All plastics except Styrofoam and oil or salad dressing containers are accepted. Labels can remain in place, but remove caps. Rinse all items and flatten, if possible.

## NEWSPAPER

Newspaper, telephone books, magazines, catalogs, brown paper bags, office and school paper, flattened cardboard boxes less than 36" x 36" and food boxes (with no wax coatings or liners) are acceptable. Place in bins marked for newspaper only.

## GENERAL INFORMATION

Glass, metal, plastic and paper can be combined. Do not put filled plastic bags into recycling bins. Put loose items into containers. Put all empty plastic bags in the dumpster.
